

2024 NATIONAL INTEGRATED SPECIAL REPORT – DIGITAL AND NEWSPAPER

EUROPE 2024

Integrated Special Reports are turnkey content solutions in which participating advertisers can be mentioned in at least one story. Produced by Globe Content Studio.

Topics are informed by content management technology that provides our editorial staff and Globe Content Studio with data signals on what is resonating with readers and, more importantly, keeping them engaged. It provides confidence that these are ideal environments to position and deliver your brand message.

Themes for Europe 2024:

Canadians are poised to travel to international destinations, and they want to spread their wings and take in the culture and experience that can only come from a trip abroad.

The Globe and Mail's Europe 2024 integrated special report will highlight the joy, excitement and enrichment that comes from a spring or summer trip to Europe – whether it's lounging on the beach in the south of France, checking out the museums in London, taking in some music in Vienna or eating your way through Rome.

As an integrated special report, Europe 2024 gives advertisers an opportunity to get their destination mentioned in our interesting and informative travel content. The Globe and Mail's readers are travel enthusiasts, so advertisers won't want to miss the chance to get their message out to this vacation-loving audience
