LUXURY REAL ESTATE

Integrated Special Reports are turnkey content solutions in which participating advertisers can be mentioned in at least one story. Produced by Globe Content Studio.

Topics are informed by content management technology that provides our editorial staff and Globe Content Studio with data signals on what is resonating with readers and, more importantly, keeping them engaged. It provides confidence that these are ideal environments to position and deliver your brand message.

Themes for Luxury Real Estate:

Regardless of what the general Canadian housing market might be experiencing right now, luxury properties in and around the Greater Toronto Area seem to perpetually remain hot commodities, less affected by the ups and downs of the market than other types of real estate.

Catering to successful, sophisticated and affluent Globe readers seeking the highest standard of luxury in the most prestigious neighbourhoods, The Globe and Mail’s Luxury Real Estate special report shines a spotlight on some of the most exquisite properties and developments the GTA has to offer, from high-end townhouses and estate homes to the most luxurious of condos.

A must-read section for audiences looking to learn more about buying and selling luxury properties in the GTA, this special report will feature articles that explore luxury real estate trends in design, amenities, services, tech and more; while also highlighting what’s new and exciting in terms of specific properties and developments on the market – all alongside gorgeous photos to help illustrate the stories and make this special report an absolutely beautiful one to read.
