

2024 NATIONAL INTEGRATED SPECIAL REPORT – DIGITAL AND NEWSPAPER

# MORTGAGES

**Integrated Special Reports are turnkey content solutions in which participating advertisers can be mentioned in at least one story. Produced by Globe Content Studio.**

Topics are informed by content management technology that provides our editorial staff and Globe Content Studio with data signals on what is resonating with readers and, more importantly, keeping them engaged. It provides confidence that these are ideal environments to position and deliver your brand message.

### Themes for Mortgages:

With rapidly rising interest rates and a volatile Canadian housing market, this year is going to be an interesting one for mortgages, to say the least. Our Mortgages integrated special report, publishing quarterly, will give Globe and Mail readers the information they're seeking in a very confusing time – whether it's for a mortgage on a new home, a renewal, or refinancing on an existing property.

This report gives advertisers a chance to get their products and company mentioned in the article – so advertisers in the mortgage space won't want to miss the opportunity to get your message out to audiences who are eager for knowledgeable expert advice and information on what to do with their mortgages.
