

# 2024 NATIONAL INTEGRATED SPECIAL REPORT – DIGITAL AND NEWSPAPER

## **Open banking**

INTEGRATED CONTENT FEATURES: Turnkey solutions in which participating advertisers can be mentioned or quoted in at least one story.

### Click on the report below to see a similar past feature

Digital services are streamlining various aspects of the lives of Canadians, transforming how they invest, bank, budget, and manage bills. The increasing influence of digital technologies presents exciting opportunities in the financial services sector but underscores the need for robust standards, regulations, and consumer protections to safeguard Canadians in online financial transactions. This special feature will spotlight innovative tools and institutions that make open banking more convenient and secure than ever.

#### **Proposed topic highlights:**

**TRENDS** — Highlighting the latest developments in digital financial services. **SECURITY AND CONSUMER PROTECTION** — Exploring strategies for secure open banking and consumer protection.

**INNOVATION** — Envisioning new horizons in digital financial innovation. **COLLABORATION** — Showcasing effective collaborations for secure and efficient open banking.

**USER EXPERIENCE** — Exploring improvements in the user experience of digital financial services, emphasizing accessibility and simplicity.
