REPORT ON BUSINESS

**Our journalism is innovative, bold and shapes the future of business, like our audience**

*We don't just report on business, we help shape it.*

For 40 years, Report on Business has been the magazine for Canada's decision makers – not just the leaders already at the top of this country's largest corporations, but also the innovators and disrupters striving to build the giants of tomorrow. We're living through an era of economic, technological and cultural upheaval. With unprecedented access and analysis from reporters at The Globe and Mail and beyond, consider us your insider's guide to navigating the new realities of doing business in a rapidly changing world.

**DAWN CALLEJA, EDITOR**

**Canada's #1 business magazine delivers access to 2.7 million high value readers**

Connect with leaders, and the next generation, through inspiring stories of visionary leadership, innovative strategies and new technologies, in definitive business rankings, vital advice on growing wealth, and in our signature events.

Our readers are the influencers leading or behind key strategic and purchase decisions. They're the essential connections that drive interest in your business products and financial services, and for premium real-estate, automotive and luxury goods brands that reward life away from the office.
