

**MAY 2024**

## The Summer Style Issue

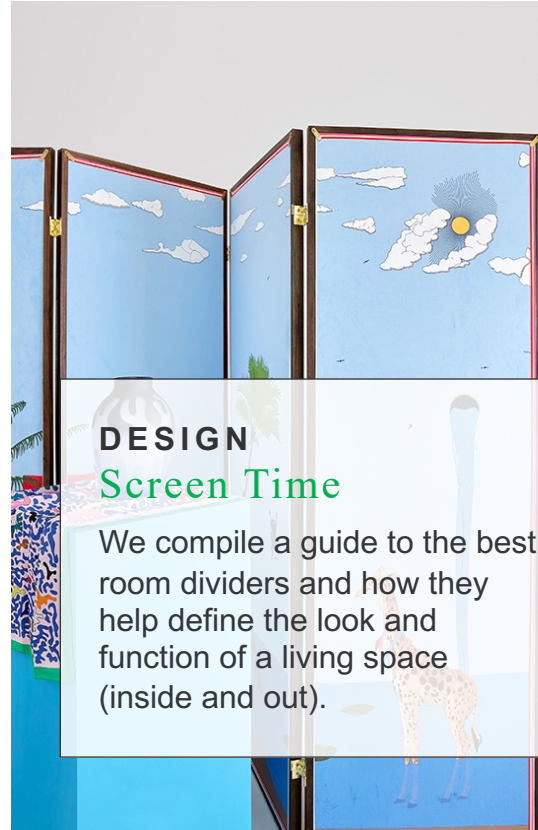

We curate looks to keep you looking cool on hot days, vacation sanctuaries, and al fresco entertaining tips. Features include: the revival of 1980s-style timepieces, and California's vinicultural evolution.

### FASHION

#### Go Green (Literally)

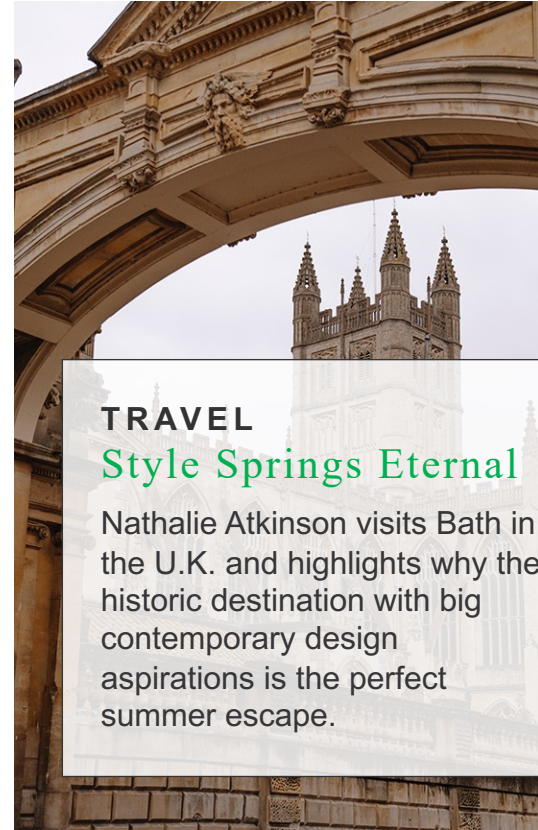

Our verdant women's and men's wear guide shows how the season's freshest shades can be the unexpected stars of a warm-weather wardrobe.

### DESIGN

#### Screen Time

We compile a guide to the best room dividers and how they help define the look and function of a living space (inside and out).

### TRAVEL

#### Style Springs Eternal

Nathalie Atkinson visits Bath in the U.K. and highlights why the historic destination with big contemporary design aspirations is the perfect summer escape.

### FOOD & CRAFT

#### Culinary Canvas

We travel to Mexico's Oaxaca to learn how its food traditions are influencing the creation of beautiful, handmade pieces for your own dinner table.
