

NOVEMBER 2024

# The Holiday Gifting & *Entertaining Issue*

As clothing and accessory trends continue to head in a more refined and grown-up direction, our annual deep dive into fashion and beauty captures fall's key pieces, from pinstripe suits to must-have makeup.

*Special Feature* We're highlights entrepreneurs and innovators who are reinventing the luxury shopping experience across Canada.

*New In This Issue* A dedicated fragrance section in our Essentials pages. In every Style Advisor, Canadian style authority Nathalie Atkinson will share her take on the perfume news and launches to watch including scent reviews and interviews with industry leaders.
