Canada’s MBA programs are evolving to meet the demands of a rapidly changing global economy. With a focus on innovation, leadership, and practical experience, these schools are preparing graduates not only for today’s business challenges but for the opportunities of tomorrow. This special feature will spotlight how Canadian MBA programs are shaping the next generation of business leaders.

- Proposed topic highlights:**
- Leadership for a Global Economy** – How Canadian MBAs are training students to lead in an interconnected world.
 - Entrepreneurship & Innovation** – Exploring how programs foster start-up culture and disruptive business ideas.
 - Diversity & Inclusion** – Examining the role of equity and accessibility in shaping the future of business education.
 - Technology & Analytics** – How MBAs are integrating data, AI, and digital skills into core training.
 - Experiential Learning** – The rise of co-ops, case studies, and global exchanges that connect theory to practice.
