

2026 NATIONAL INTEGRATED SPECIAL REPORT –
DIGITAL AND NEWSPAPER

Alternative investments

INTEGRATED CONTENT FEATURES: Turnkey solutions in which participating advertisers can be mentioned or quoted in at least one story. The PDF overviews are intended to be a thematic starting point. Topics highlighted will be revisited and updated during the production stage to align with the current situation

As investors seek diversification, income stability, and protection against volatility, alternative investments have become an increasingly important component of portfolio construction. Spanning asset classes beyond traditional equities and fixed income, alternatives are shaped by evolving market conditions, regulatory frameworks, and investor expectations around transparency and performance. This special feature will spotlight how alternative investments are being positioned, evaluated, and accessed within a changing investment landscape.

- Highlighted topics include:**
- Portfolio diversification strategies:** The role of alternatives in managing risk and enhancing returns.
 - Private markets and access:** How investors engage with private equity, private credit, hedge funds, and real assets.
 - Real assets and infrastructure:** Opportunities across real estate, infrastructure, and tangible assets.
 - Risk, liquidity, and valuation:** Key considerations around liquidity profiles, pricing, and due diligence.
 - Data, reporting, and transparency:** Tools and frameworks supporting informed investment decisions.
 - Regulation and investor suitability:** How policy, disclosure, and suitability standards shape participation.
